THE OCEAN WAVES (UMI GA KIKOERU)
(1 hour and 13 minutes)

A boy's name is Taku.
A girl's name is Rikako.
They are seventeen years old.
Rikako comes to Kochi and goes to Taku's school.
"Umiga Kikoeru" is their fragile love story.

I don't like Rikako. Why? Because I think that she is egoist and an arbitrary character. I don't like such a person.

But, she becomes better and better, living in Kochi. So Taku falls in love with Rikako (maybe).

"The Ocean Waves" is a very romantic story. Fragile love is drawn in this story.

Finally, I like Rikako.

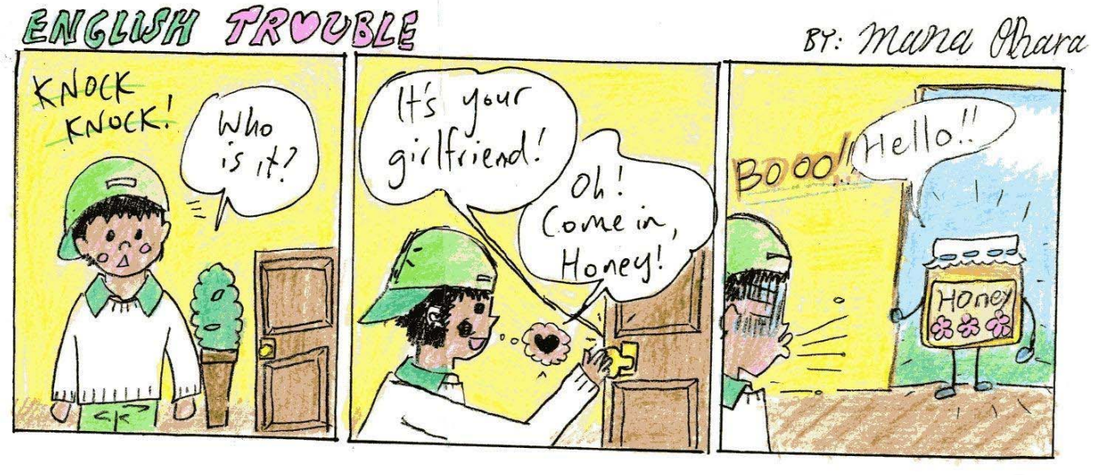
St. Valentine's Special

4 Chocolates from NZ, and 1 from Japan! Which one would you like?



Who is your perfect boyfriend/girlfriend?

What do you think is important?

Do you think a person should have a lot of money?
Do you think they should be beautiful or handsome?
Do you think they should be good at sport?
Do you think they should be intelligent?

200 students were asked to choose THREE things from this list: ☑

- ☐ Tall
- ☐ Smart / Intelligent
- ☐ Nice Hair
- ☐ Likes Art, Music, Books
- ☐ Has a lot of money
- ☐ Good-looking (cute)
- ☐ Drives a car
- ☐ Funny (sense of humour)
- ☐ Quiet
- ☐ Good at Sport
- ☐ Wears cool clothes
- ☐ Older than me
- ☐ Younger than me
- ☐ The same age as me
- ☐ Popular (has many friends)
- ☐ Does not smoke

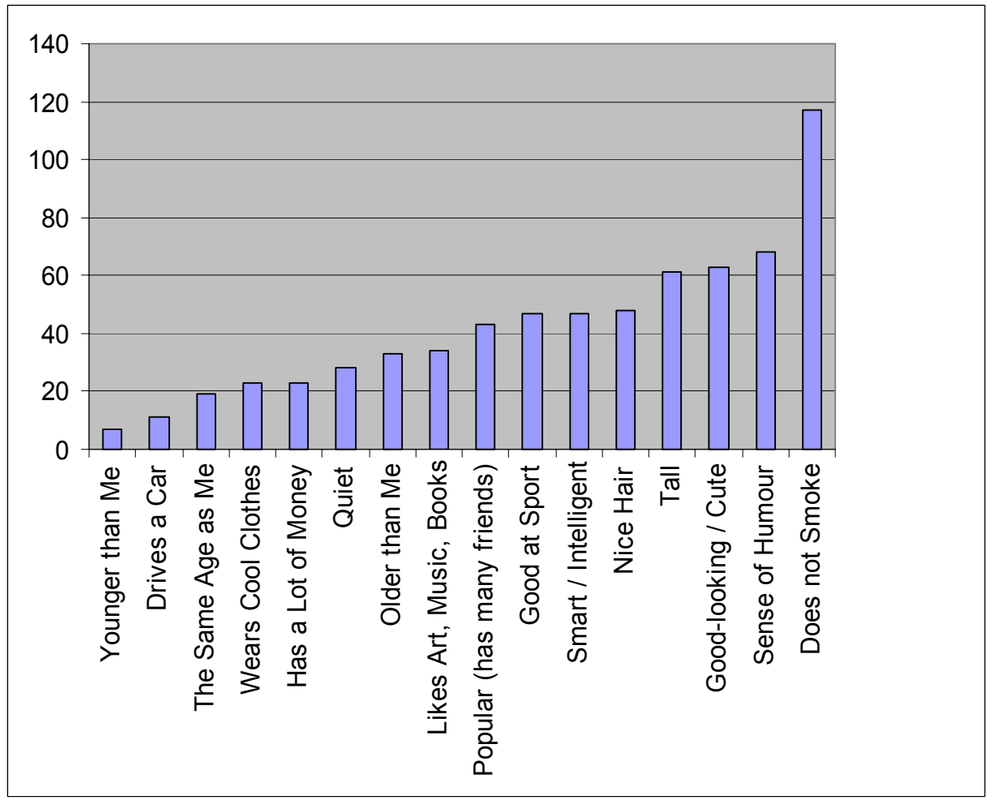
OTHER:_____

Which three things would YOU choose?
What do YOU think is important?

Look on p. 7 to see the results of the survey!

What did you think?

Here is what students wanted their boyfriends/girlfriends to be like:



For **OTHER**, 7 students wrote "kind", 5 students wrote "have a good body", and 3 students wrote "be in a rock band (musical group)".

Some other people wrote that their boyfriend/girlfriend should:

- "be smaller than me"
- "like animals"
- "be interesting"
- "wear glasses"
- "love me"
- "like history"
- "be strange"

So…if you are **good-looking, have a sense of humour**, and **do not smoke**, then you will be very popular! But it seems that many students do not want boyfriends or girlfriends who are younger, drive a car, and wear cool clothes!
